GLEN HODGSON ANNOUNCES TENDERS — CALLED

R. Glen Hodgson, M.P.P., member for Victoria-Haliburton knows that you will be interested to hear that Tenders are to be called next week for the Contract noted below.

Contract No. 72-192 Grading, Drainage, Granular Base and Paving on Hwy 7B. From Hwy. 7 northerly to Lindsay South Limits- 0.8 miles. Port Hope District M.T.C. W.P. No. 130-70 -01

Dogs A Problem This Time Of Year

Each year the Ministry Staff anticipate a rash of complaints concerning dogs chasing deer. Dogs don't realize there is a closed season on deer. The complaints are most frequent in the late winter and the early spring months. During these months the snow crust can usually support the weight of a dog, but gives way under the sharp hooves of a deer. It is unfortunate that many dog owners cannot seem to remember this fact from year to year.

The dogs that do the most damage are not generally hunting dogs as one would suspect. Man's 'best friend', lying in front of the fireplace or greeting the kids at the door, can become a terrifying enemy for a deer, when the deer is at a disadvantage in the snow.

Another time of year when a deer is almost as vulnerable, is just after the first freeze up. First ice, without snow cover, is as slippery as a freshly waxed floor. Here again the canine members enjoy relatively good footing while the deer slips and flounders on the ice. For a deer in this predicament it is generally a matter of 'time'.

A case of this kind occurred the day after the '72 deer season on Head Lake in Haliburton. The lake was frozen, glare ice without snow, two 'family pets' ran a doe fawn onto the ice and caught it. The fawn was severely mauled and had to be put out of it's misery.

The circle of carnage on the ice, nearly twenty-five feet wide, was strewn with blood, hair and pieces of flesh from

this living animal. Perhaps if everyone could see the aftermath of such an episode there would be fewer instances of this kind, but as if to hide this blot on the canine family's record, a snowfall covered the scene that evening.

We might remind dog owners that it is an offence to allow dogs to run at large in an area that deer inhabit, during the closed season for deer. The whole of Lindsay District is included in this description. The penalty for infractions of Section 77 (1) of The Game and Fish Act could be a fine of up to \$1,000. Part of Section 77 (1) states 'a dog found running deer in such a locality may be killed on sight by an Officer without incurring any liability or penalty therefor.'

Don't let your family pet try to extend the deer season.

THE MAIDENS' VIEWPOINT !

by

Norm Maidens

A couple of days after the last election Fenwick Finch dropped in on me for a visit. First of all he poured himself a cup of instant grog and added a "splash" of Chris Wahlroth's Napoleon Brandy and settled down with a smug little smile on his face. "Well", he fired his opening gun, "you fellows sure showed them city fellers where to head in —".

"Now, look Fenwick," I interrupted, "you're not going to sucker me into an argument. You know full well that I refuse to argue politics or religion. I will tell you what I think of the Lutterworth election and that will have to suit you."

"Well, I still think them city fellers got what was coming to them", said Fenwick.

"I know you came out pretty strong against outsiders running the local government and, since you're my alter ego I have to go along with you — part of the way at least. I recently met Mr. Williams and Mr. Shingler and I didn't find them to be the irresponsible and incompetent men they were supposed to be. They are both highly skilled in their business and have pleasing personalities. However, I don't feel they are politicians they are much too trusting for that. They have learned one thing, the hard way, gratitude is only a word in the dictionary. Politics, local or otherwise, is a tough business and, as President Truman once said, "if you can't stand the heat stay out of the kitchen".

"There is one thing I think we should have learned from this past experience, and, this applies to every township in the area. Since we are over 60 per cent summer residents our local politicians should keep their best foot forward because if the tourist population puts on another "power play" we could find ourselves in trouble. Personally I feel the Reeve or "key man" should be local so that he is available at all times, the other offices could go to summer residents, they are entitled to this."

There are two things I think should be clarified for the local voters. The restricted by-law and amalgamation with Anson, Hindon and Minden etc.

The by-law was a key issue in the election and the inference was that Williams and Shingler were responsible for this. Correct me if I'm wrong but the previous administration asked for the by-law and these two gentlemen were stuck with it. What is the present administration going to do about it? Amend it, let it stand or rescind it?

Concerning the amalgamation — where do the present incumbents stand? I believe these questions should be answered and something done about it.

"Well, there you are Fenwick, that's how I feel!"

"You sure don't leave a fellow much room for argument" answered the Finch.

"That's how it is, in any event it's only a "Maidens viewpoint".

Drive carefully, the Christmas season is on the way — be sure it's your tree that's "lit up" not you when you are on the highway. Life under existing circumstances is rough enough without any unnecessary chances.

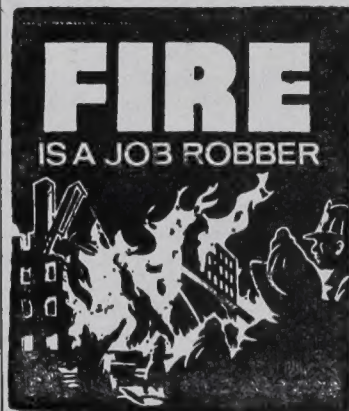

COUNTY SNOWMOBILE ASSOCIATION

The Haliburton County Snowmobile Association map committee has been hard at work during recent weeks compiling new information and making corrections to old for the second edition of the Association's trail map. Business enterprises in the County were canvassed for advertising memberships, and if any were missed they are urged to call at once in order to get their listing on the new map. Membership chairman is Stephen Berry, Minden, 286-1826. It should be noted that 15000 copies of this map will be distributed in and out of the County which makes this a very inexpensive form of advertising.

Since production of the new map will quite seriously deplete the Association's present funds, there will now begin a drive for individual memberships, both new and renewal. It is hoped that all who snowmobile in our County, whether resident or cottager, will support the Association's effort. When they do our trails improvement project can swing into high gear.

It is too early to speculate on the probability of obtaining L.I.P. funds for trail work. An application has been submitted and while awaiting a decision on it, the Association is collecting written permission from property owners to allow the work to proceed on private property. In addition, an effort is made to induce the Ministry of Natural Resources to extend snowmobile trails on Crown Land.

Snowmobile Clubs are busy with their own trail improvement programs. The Donald Windigos, on a recent Sunday underbrushed and widened a popular trail known as the Tractor Road, which winds for some six miles along the Burnt River. The turn out was 21 workers, including six ladies. An excellent beginning for the seasons activities.

THE FRONT IS QUIET

On the local news front this week, everything is quiet. It seems the election of last week took the starch out of everyone. Of course with Christmas just around the corner, you might think of it as

the calm before the storm.

This weekend will probably kick off the big Christmas shopping rush of the season — by next weekend, only the last minute shoppers will be rushing around picking up items, which were difficult to decide on over the last month.

We have taken notice of the great selection of merchandise the local business people have purchased for you, to supply all your Christmas needs. The talk goes on every day that you can buy cheaper out of town — if this is the case maybe we should all pack our bags and move to Peterborough, Lindsay or Toronto? Close up this little town and take our business other places.

I can't believe for a minute anyone would do this, but in reality, if your not going to support your hometown, you might as well pick up and leave, for what else is their to contribute. The businessmen on the main street are the most taxed people in town — they contribute to every organization imaginable, and yet there are many people who simply turn their back on them in a selfish way, so they themselves benefit, or think they do.

We think the business people in this town can be congratulated for their good buying taste and selection, very few small communities like ours have as many good retailers like we have here. The Minden main street can stand up to the best of them, when you look at our population of just over one thousand people.

I don't think most people really consider the value of shopping locally, and what it means to the economy of the area. For every dollar spent out of town, it robs this area of five, and I am sure the working people here can't afford that kind of a deflated economy. Only money spent here can help employment, taxation, service clubs, community projects of all kinds, and you can go on and on. In a small community we are like a football team, the business people are the quarterbacks — if they fail, the community does too.

The new arena is one example of a working team, without the great support of most of the business people, Minden would still be without it — but there it is, team play, and everyone had a hand in it. In the future, the people here will want community swimming pools, tennis courts, etc., etc. and once again the lions share will come from the pockets of our local business people — support them now, and you can always count on their support in the future. Before you go driving a hundred miles to try and save five bucks, consider the value of your money in this town, and the great many things it will accomplish if spent here. With everyone spending their money here, everyone will enjoy a better Christmas

LETTERS TO THE EDITOR

December 11, 1972, years ago, when they were losing to the same two teams.
Minden, Ont.

Dear Sir:

I am writing this letter in regard to your so-called sports writer. In last weeks issue your writer had an article on how terrible the Minden Peewee 'A' team had played. I fail to understand how he could report on a game so accurately when he was not present. It seems that he gets his information second, third, or even fourth hand, which in my opinion is not usually very accurate. He stated that this team is made up mostly of last years novices, who had a very successful season, however, there seemed to be some reason why this years Peewee's were not winning. He completely overlooks the fact that these boys are first year peewees and have lost to two teams made up mostly of second year peewees. If he were to make an honest comparison he should have looked at this same team two

This is just one example of his misleading articles. In the same issue, he reported that the Minden Mites were defeated by Haliburton 10-0. The score was not 10-0, but 8-0. I wonder if he was present at this game?

Mr. Burke does not seem to realize that the players written about in these articles can read, and this type of harassment does not help their desire to play good hockey, nor does it benefit the Minden Minor Hockey Association.

Therefore, I recommend that your sports writer either write his articles more accurately, consult with the coaches or managers, or give up reporting altogether.

Yours truly,

Larry Kent

Coach — Minden Peewee 'A'

R.R. 2 Minden
December 11, 1972

To Mr. Greir:

I am absolutely appalled at the context of your Sports column in the Dec 7th issue of the Progress.

For a man who purports to be a supporter of the new arena, and Minor Hockey, you should be ashamed of yourself for the manner in which the Peewee 'A' team is 'cut up' in this column.

I know for a fact that your sports columnist (sic) was not in attendance at the game mentioned and I wonder who really did write that article as well as the true motive behind it.

I have had the pleasure of travelling with these boys for the past three winters and they are without a doubt the finest, politest, cleanest boys I have ever had the pleasure of knowing.

While they have not won a game this year these boys have worked hard and no one has run them out of the rink yet.

NORDIC SKIING

In response to the growing demand for pleasant Cross Country Skiing areas, "Haliburton Forest" set aside a portion of its property exclusively for cross country skiers.

With the cooperation and guidance of the Credit Valley Ski Club 25 miles of ski trails are being laid out. During the Christmas holiday two dozen members, including some of the executive, of the above mentioned club will be skiing at "Haliburton Forest".

These people are so enthused about Nordic skiing that they have offered to make themselves available all day long on December 26 to discuss the sport with any interested people, on skis or afoot, and for the evening they have a movie of the Vasa Ski Race to show how the Swedes do it.

During the Christmas holiday there is no charge for ski trail use, as the trails will still be rough. Later on the fee will be \$1.00 per day.

Miss Dorothy Shantz will be serving snacks and full course meals in "The Cookhouse" at the old fashioned rates.

If you decide to come you should call 457-2455 otherwise we might all be out skiing or snowmobiling.

The Credit Valley people declare that Cross Country Skiing promotes good health and is fun. No doubt that's true but snowmobilers may go on polluting the air and breaking their ear drums in the rest of the "Haliburton Forest" property. That's fun too.

All trails used last winter, plus more, are open to snowmobilers at the old rate of \$2.00 per person.

GAME OF THE WEEK — with Cliff Burke

HARRISON'S HEROICS GIVE JUVENILES FIRST VICTORY OF SEASON

Wayne Harrison scored four goals and set up three others on Saturday in Little Britain, to lead his team to their first ever victory, 8-7, The Minden Juveniles are in their first year of competition. Coach Neil Burk cut the team last Tuesday evening and since then have a 1-1 won-lost record.

Mike McElwain had two goals in this game while singles went to Kirk Hewitt and Scott Harvey.

On Thursday evening in Sunderland, the Juveniles played their first game and went down 5-2. Sunderland is presently in first place in the Lakeshore Juvenile League with a 7-3 record. They defeated our boys 5-2 but were extremely fortunate.

The Sunderland team built up a 5-0 lead at the end of two periods. The third period saw Minden come on like gangbusters. Bill Jackson got Minden on the scoresheet at 5:40 to arouse his team. Within three

minutes they proceeded to hit three goal posts, once each by Wayne Harrison, John Welch and Mike McElwain. Scott Harvey closed out the scoring for Minden on the powerplay.

For those in the town who would like to know who the players are on the new Minden Juvenile team, here they are, and a pretty fair country team it is too, deserving of your support this winter.

Coach is Neil Burk; Assistant Coach is Dave Dollo; Manager is Dwight Thomas.

In goal are Wayne Moxam and Bob Dudman.

On defence are Royce Miller, Scott Harvey, Peter Burk, Rob Young and Bill Little. Centers Wayne Harrison, Dave Pentney, John Welch and Bob Arbuthnot (out with a broken ankle). Forwards are Bill Jackson, Warren Payne, Mike McElwain, Sid McKeigan, Doug Ray and Bill Hunter (Out with a broken leg).

SPORTS CORNER

with CLIFF BURKE

The Minden Bantams picked up their first victory of the season on Wednesday evening in Fenelon Falls 4 - 3.

The Fenelon team opened the scoring in the first period but Barry Shaw quickly evened things before the end of the period. Fenelon scored quick goals in the second to go up 3 - 1. However, that was it for the home team as Minden completely dominated the play in the third, scoring three unanswered goals to earn the victory. Scott Gartshore scored twice for Minden in the third and Doug McNabb potted the winner.

These same Minden Bantams dropped a 13 - 1 decision to powerful Haliburton on Friday evening. Shayne McKelvey scored the lone Minden goal.

The Minden Novices extended their winning streak to four games, with an easy 5 - 0 shutout over winless Bobcaygeon on Saturday in Caygeon. Minden outshot the home team 42 - 3 on the game. Mark Greir led the Minden attack with two goals while singles went to Harold Porter, Brent Moxam and Ronnie Yake.

The Minden Pee Wees picked up their first victory of the season after four straight losses, on Sunday evening in Haliburton, when they trimmed Bobcaygeon 3 - 1. Brian Shaw led the Pee Wees to victory with two goals David Brown got the third goal.

Last week I omitted the Minden scorers in the loss to Haliburton 6 - 2. Garry Harrison and Brian Shaw scored for Minden.

Minden Mites dropped their second game of the season to Haliburton 3 - 2 on Saturday morning. This is a tremendous improvement over last week when they dropped a 8 - 0 score to the same team. A great deal of credit must be given to Ivan Ingram and Bill Porter for the teams excellent improvement in just one week. Ivan Ingram and Greg Austin scored for Minden.

The Minden Curling Club has swung into action with three weeks competition now completed. The Monday afternoon Men's Senior League finds Cec Yearwood leading after two weeks play with 20 points. The Monday Evening Ladies League sees Illa Lytle and Marian Ingram tied for first with 20 points each. The Men's Tuesday Night League has a four way tie for first between Percy Brintnell, Bill Payne, Ern Hewitt and Bernie Trepanier, all with 20 points on 2 - 1 records. Ladies Wednesday Afternoon League finds Peg Pettinger holding top spot with a perfect 3 - 0 record and 30 points. Wednesday and Thursday Night Mixed League has Dwight Thomas all alone in first place with 30 points on three victories. The Friday Night Mixed League has J. O. Jackson in first, unbeaten after three weeks play with 30 points.

BOWLING: — The Rockcliffe beer Nuts took over first place in the Haliburton County Men's Commercial Bowling League last week with a seven point trouncing of Cox's Colts. The victory for Rockcliffe saw Bob Austin take over High single and high triple with 356 and 865 respectively. Haliburton Highballers took five points from Miles Roadrunners. Modern Electric also took five points from their opposition Ingoldsby. Ron Robinson Jr. took over high average from Eddie Cox with 236.

Dominion Hotel tournament winners last week were Paul Warburton and John Cooper. Rockcliffe Hotel winners were Aubrey Maxwell and Brian Hamilton.

CHURCH WOMEN WORSHIP TOGETHER

On Dec 7th the ladies of St Paul's Anglican Church met with the ladies of the United Church at a Christmas meeting in Minden United Church Hall. There were over forty ladies present.

President of U.C.W. Irene Moore conducted the meeting and after the Opening, welcomed the ladies from St. Paul's. Business was kept at a minimum and at its conclusion, the president asked Mrs. Percy Brintnell to step forward and in a short ceremony presented her with a life membership and pin from the U.C.W. Mrs. Brintnell has been unfailingly faithful in her work in the Church, U.C.W. and in the Sunday School and well deserved this honour. At the conclusion a standing ovation was given Mrs. Brintnell.

The meeting was then turned over to the Esther Group who presented a beautiful Christmas Worship Service interspersed with Christmas Carols. This was followed by a skit entitled 'Empty Pews' presented by members of this group and their daughters. A Christmas Musical number by Shirley Colliss, Sandra Jarvis and Catherine Kellert ended the meeting. The Ladies then enjoyed a social time over a cup of tea and lunch served by the Martha Group.

ABOUT THE TOWN

With Jeanne Sears

Noticed all last winter and several times already this year one icy spot on the sidewalk on our Main Street. This is really dangerous, wonder no one has hurt themselves, perhaps something could be done to eliminate this hazard.

Sincere sympathy to the families and friends of the late Roxyann Ingram, Clyde Shearn and Ray Ranson who died since last week.

There was Open House at the Crest Hardware last Friday and winners of merchandise were \$25 Harold Coulter, \$15 Sharon Kernohan and \$10 Jeanne Sears.

The Turkey Bingo at Hyland Crest Auditorium by the Catholic Womens League had a good crowd with many happy people winning turkeys, indeed a great success and the ladies want to thank all those who attended.

Last Sunday there was a Birthday Party at the Holly Stevens in honour of Mrs. B. J. Walker on the occasion of her 87th birthday. The whole family was present and enjoyed the buffet dinner and the beautiful birthday cake made especially for her. We add our congratulations to this Senior Citizen.

We hear that there are no visiting hours at Ross Memorial Hospital until after 5 in the afternoon; this may have something to do with the building that is going on there.

At the Mini Card Party last Thursday afternoon winners were for cribbage Joyce Hewitt and Mary Maidens, for euchre Mae McArthur, Phil Robinson and Johann Beattie. There will be a Card Party this Thursday, December 14th and then these will resume January 4th.

Sorry to report that Lawrence Pritchard is once again a patient at Civic Hospital, Peterborough for surgery. All his friends send good wishes to him.

Heard that studded snow tires will be taken from our highways, in fact American visitors will be stopped if they have these on their cars. Perhaps they do damage especially as our highways are sometimes snow-covered and regular snow tires are enough if drivers have their cars under control.

Ada and Andy Stevens left for their winter holiday at their home in Florida.

Several persons in hospital, these include Mamie Swann at Bobcaygeon, Minnie Dawson and Mervin Cowan at Minden, Irene Duncan and Tom Stephens are both disabled at their homes after severe falls.

It's the little things in life that count,
The hand that clasps, touch or smile,
The thoughtfull little gift that's brought
These things make life worth while
The pleasure of a telephone call
When you are sad and blue,
Or just to know that someone cares
Can mean so much to you.

PETERBOROUGH BARBERS

LEARNING HAIRSTYLING

Twelve Peterborough barbers are responding to the current trend in men's hair fashion by taking a 10-week evening hair-styling course offered by Sir Sandford Fleming College through its training in business and industry (TIBI) program. 'With present-day hair styles, many experienced barbers feel a need to up-date their traditional skills to cater to the demands of a more discriminating clientele,' explained James Liscum, who co-ordinates Sir Sandford's TIBI and apprenticeship programs.

Instructor is Ronald DeNoble, a certified hairdresser and barber, who has completed additional courses in men's hairstyling. Classes are held Monday evenings from 7:00 to 9:30 p.m. in Mr. DeNoble's Peterborough salon.

The evenings involve about 30

minutes of theory, followed by two hours of practical work. A practical examination will be held when the program ends December 13.

Maximum class size is 12, but Mr. Liscum said further programs are being considered by the College as a result of interest expressed by other local barbers.

Only certified barbers are taking part in this new program, but for five years the College has been administering eight-week day programs for people from as far away as Kingston and Niagara Falls who are apprenticing in hairdressing for women.

Sir Sandford is one of several Colleges in Ontario offering the hairdressing courses, which involve both theoretical and practical work, and are required under the Apprenticeship Act of Ontario.

Similar courses are offered at the College for electrical and marine mechanics apprentices

We owe men like Larry Kent, Jim Shaw and Jim Hatkoski a great deal for giving unselfishly of their time to help make these fine young boys into fine young men.

Your sports column should be dedicated to encouraging these men and these young athletes not taking pot shots at them.

The sports writer's information on this game was received directly from a parent whose son plays on the PeeWee A team.
